The Evening Post.

WILMINGTON, N. C.

Thursday, August 21st, 1873.

THE murder investigation was postponed until to-morrow. 'Squire Cassidey hoped to close his investigations yesterday, but was unable to do so. News of the arrest of important witnesses will now require the matter to be kept open over to-morrow. Though the interest seems to continue unabated, we will all draw a long breath of relief when it is over.—The assault and attempted highway robbery, and the forgery case before 'Squire Gardner, will keep up the excitement for the balance of the week.—Wilmington, therefore, has its sensations, as well as cities of larger growth.

It seems as though we were to have another season of terrible accidents and death. The collision on the Chicago and Alton Road, the result of criminal carelessness, when some fifty innocent passengers lost their lives, followed close upon the Wawaset disaster on the Potomac, and we now have the particulars of a collision at sea, where the steamer Alabama was struck by the bark Abeona, sinking the latter and drowning eight unfortunate men. We presume there will be the usual investigations in regard to the collision, as there are now of the other two, and perhaps some one will suffer. The officials on the freight train are certainly culpable and will no doubt be severely dealt with if they are captured, and the Wawaset investigation points very strongly to culpable neglect.

We have been very fortunate in this vicinity, with both our railroads and steamers, and we believe it is mainly due to caution and care on the part of those having these lines in charge. We hope it will be continued, and that we may never be called upon to record one of these heart-rending occurrences in this section.

A communication on the subject of the safeguards required on the river steamers, appeared in the *Journal* of this morning, which is, we believe, of sufficient importance to call the attention of the owners of the steamers, and the suggestions are good. We will publish the letter, or a similar one, if the writer will inform us of his name.

THE statement that the South has not had its share of National Bank currency has often been made, and complaints have been written in many of the Southern Democratic papers in relation thereto. We endeavored to show in a former article that there was plenty of currency yet to be had, if the South would only apply for it, but that the capital needed for such investments was not to be had. The Comptroller's report of the 18th shows that there is now in his possession seven million dollars of unclaimed currency which could be made available in the South if capitalists could be found who would invest in the necessary bonds, but they do not come forward.

We are not an advocate of the National Bank system. We believe more money can be made by bankers, and with less cash tied up, under a free banking system, without the machinery, taxes and tied up funds required of a National Bank. And then, the Government would be the gainer, for it could issue greenbacks instead of bonds, and save some millions a year in gold, now paid out as interest, a great deal of which goes to Europe. According to our ideas, the National Bank system is a loss to the Government, and of no benefit to the stockholders. The margins and amounts required to be kept on hand are worth more than the interest they receive on their bonds. It is certainly worth more to the people, for without this system there would be twenty or twenty-five per cent. more money in circulation belonging to the Banks than there now is. The issues of the Government would be just as good as the issues of the National Banks, because the latter are secured by the faith of the Government only, and this would be their guarantee. The saving of interest on the bonds would reduce the public debt with greater rapidity, which we all desire, and make an immense reduction in our National taxes beside.

We sincerely hope the day is not far distant when we shall see this whole National Bank system done away with, and the Government issuing the currency of the country. By this means our financial affairs will progress with less of panics and excitements, and our people be better off.

EDITORIAL BUDGET.

The members of the Iron and Steel Institute, of Liege, have been invited to meet in the United States in 1874.

The will of the late Duke of Brunswick leaves the whole of his landed property and personal estate to the city of Geneva.

V. Motte, an Italian padrone, was fully committed for trial in New York for a violation of the civil rights bill by virtually holding little children in slavery.

Lord, the missing *Herald* correspondent, drew a large amount of money from the bank the morning he left Shelbyville. He said he was going to Cincinnati. He left manuscript, clothing and some jewelry in his room. No reason is assigned for his strange disappearance.

Fannie Rush, colored, convicted of the murder of her infant child in Harrison county, Ky., has been sentenced to be hanged on the 14th of November. It is stated that the woman and her children were starving, and that she drowned one of them so that she might be able to provide for the rest.

A *Herald* special, dated London, August 19, says the *Herald* correspondent at Cairo reports the breakdown of a steamer with Sir Samuel Baker on board, near Shadnan Island. A tug had gone to render her assistance. This island is situated three hundred miles from Suez.

The cable steamer Dacia arrived in Kingston harbor on Tuesday evening, July 29, without having recovered the lost Aspinwall cable. It is understood that the weather was unfavorable for grappling, and that the Dacia, being short of coal and provisions, returned to Kingston for supplies.

The mail stage between Mokelumne Hill and Mokelumne City was stopped by two highwaymen, two miles from Mokelumne City. They robbed the passengers, took $4,000 from Wells, Fargo & Co's treasure-box, and destroy the mails, papers and other valuables. Officers are in pursuit. The robbers are known.

— On Saturday, 16th instant, at Fulton, Billy Ward and Butler fought a prize fight, in which the latter was worsted in the eleventh round. Ward challenges the world for a fight, to take place in Arkansas three weeks after the articles have been signed. Marengo Joe is his backer. Australia Kelly and Happy Jack fought twenty-eight rounds at the same place Monday. It was decided a draw.

— The Republican State Convention assembled at Dallas, Texas, on the 19th. A. G. Malloy, of Jefferson county, was chosen temporary chairman. Governor Davis made a speech, in which he asked them to act harmoniously. He did not care who they nominated, but let them be honest men. A committee on credentials was appointed, and an adjournment until four o'clock took place. On reassembling, owing to the large crowd in the hall and the hot weather, an adjournment to Pitt's garden was ordered. Gov. Davis will be renominated.

— Late advices from Lima, Peru, report that a serious accident occurred sixty miles from that city. A body of earth, estimated at ten millions of cubic yards, fell from the mountain side into the valley, seriously injuring a number of persons, and damming up the river water, which had risen 109 feet above its usual height. Engineers were of the opinion that the water would soon burst its barriers, when it would rush towards Lima, sweeping everything before it and submerging the lower portion of that city. A disastrous fire has taken place in Valparaiso, causing a loss of $500,000. The towns of Petorea, Quillota, Ligna, and Lirnache, in Chili, have been greatly damaged by earthquakes.

The *Sentinel* says: Hon. B. F. Moore, one of the Commissioners appointed to superintend the printing of the Revised Code, requests us to say that the publication of the Mecklenburg Declaration, adopted on the 20th of May, 1775, in the Revised Code of North Carolina of 1854, was expressly directed by section 9, chapter 121, of the Revised Code. Its publication, therefore, could indicate no opinion of the superintendent, commissioners, or either of them. The genuineness of the declaration was not a matter of consideration for them. Similar instructions were given to the commissioners of the Revised Statutes by act of January, 1837—chapter 1, section 9.

The Magnolia *Monitor* says: On Saturday night last, some wretch, whose neck richly deserves a halter, placed an iron rail and other obstructions across the track of the W. & W. R. R., about a mile and a half from Joyner's depot. The outrage was discovered in season to prevent any accident to the train, but the attempt is equally as infamous as though a terrible accident had been the result.

SEA-SIDE RIPPLES.

Block Island is alive with summer visitors.

Schooley's Mountain, N. J., is uncommonly lively this season.

There are more thieves at Cape May this season than was ever before known.

The majority of the summer sojourners at Newport have passed the middle age.

A large hotel, for summer boarders, is in course of construction at Sea Side Park, Bridgeport, Conn.

There are two watering places in Tennessee, viz: Tate Springs and White Cliff Springs, in McMinn county.

The Saratoga Springs *Saratogian* says the hotels are now filled to their utmost capacity. The receipts of some of them run as high as $5,000 a day.

The bathers at Newport are troubled with seaweed, and the bathers at Long Branch are shocked by coming in contact with the carcasses of dead animals.

The fencing in of Niagara Falls on the American side will be likely to drive visitors over to Clifton, on the Canada side. This has been the dullest season known at the Falls for years.

Governor John A. Dix has been shooting snipe at his country seat at West Hampton, L. I. Snipe shooting was never better than it has been on the south side Long Island bays this summer.

Nahant, as a watering place, has one peculiarity—it has no hotel, the place being entirely occupied by cottages. It is the most exclusive summer resort in the United States. Professor Agassiz and the poet Longfellow have cottages there.

J. M. Hutchings, the guide and hotel keeper at Yosemite Valley, California, says his business this season has been the best yet known in the valley. Important improvements are in progress to render the access to it more easy, and engineers are now busy at work surveying a carriage road, by which, in the next year's season, guests will be able to ride all the way.

At the head of Lake George, N. Y., which is now a favorite summer resort, and where many New Yorkers have built cottages, may be seen the site of old Fort William Henry, which was built in 1755 by General Johnson, captured by the French under General Montcalm in 1757—the scene of the massacre of fifteen hundred English, and burnt by order of the commanding officer of the French. Its ruins remain to-day, after the lapse of one hundred years, with pines growing over them, as monuments of the fierce struggles of the English and French for the possession of the lakes.

Hon. David Settle, of Rockingham county, received considerable injury last week by being thrown from his horse at Piedmont Springs,

PROSPECTUS.

THE EVENING POST.

J. C. MANN,

EDITOR & PROPRIETOR.

Published every evening, except Sunday, at

Five Dollars per Annum.

The POST is designed to reach all classes of citizens, and its subscription price is therefore placed so low as to be within the reach of all. It contains the

LATEST NEWS,

up to the time of going to press,

TELEGRAPHIC,
BY MAIL,
COMMERCIAL
AND LOCAL.

It should be in the hands of every man who desires to know what has transpired during the day, and, as it aims to give

RELIABLE INTELLIGENCE,

its publisher hopes it will prove a welcome guest in many families.

THE POST

is sprightly without being sensational, and it carefully excludes all objectionable incidents and reports calculated to offend the sensibilities of the most fastidious. As an

Advertising Medium

it claims to be first class. It has a good and constantly increasing circulation, and is read by almost every business man in the city. Politically the POST is

UNSWERVINGLY REPUBLICAN.

Its editor having been a consistent member of that party since 1855, through its vicisitudes and triumphs, he claims to speak advisedly when advocating its principles. He is not, however an "extremist," and accords to others what he claims for himself, the right of free thought and of free speech.

THE ADVERTISING RATES of the POST, like its subscription price, are at liberal and at living prices, as an examination of them will show, and it bespeaks a share of public patronage.

THE EVENING POST

is closely identified with the local welfare of the Cape Fear region, and the believers in progress, whether

EDUCATIONAL,
AGRICULTURAL,
MECHANICAL, or
COMMERCIAL,

will find an enthusiastic ally in THE POST.

THE POST

is opposed to monopolies, but in favor of internal improvements, and a firm believer in the patronage and support of home enterprises and institutions.

AS A FAMILY PAPER,

The TIMES will have no superior; it will be free from all appeals to vulgar and impure tastes, and may be safely admitted to every domestic circle.

AS A REPUBLICAN JOURNAL,

The TIMES will be devoted, as in the past, to an intelligent and firm support of the Republican Party. Its course in reference to the Tammany Ring, at a time when all the other daily papers in New York obstructed and discouraged its efforts, attests its sincerity in the cause of Reform. The TIMES stood alone in demanding Reform from 1869 to the close of 1871, and there is no sincere and honest proposal for Reform, in any branch of the Government, which will not be heartily supported by the TIMES. But it will not conspire in assisting ambitious politicians or demagogues to reach power under false pretenses. It will not encourage defection from the Republican Party, which is still the party of progress, security and national prosperity.

It will sustain, with all the force and influence at its command, the principles and policy which have rendered that party so justly famous in our history. It will advocate those measures by which the honor, the peace, and the prosperity of the nation can be best secured and promoted, and will constantly study the wants of the people rather than the wishes of the politicians.

THE NEW YORK SEMI-WEEKLY TIMES

Is published every Tuesday and Friday, and contains all the agricultural and literary matter of the Weekly edition, and a full and careful compilation of editorial and news features of the Daily.

Terms of the Semi-Weekly TIMES: One copy, one year, $3; two copies, one year, $5; ten copies, one year, $25—and one extra copy free.

Subscriptions to either of our editions received for a less length of time than one year at yearly rate.

These prices are invariable. Remit in drafts on New York or Post-office Money Orders, if possible, and where neither of these can be procured, send the money in a registered letter. OTTO SCHUTZE, Observer, U. S A.

It is with pride for American inventive genius that we notice the dispatches from the World's Exhibition at Vienna announcing the success of the Wheeler & Wilson Sewing Machine. *

BEHIND TIME.—The Waccamaw was late this morning, and the excursionists went down late.

Notice the tournament advertisement. A rare chance is offered for the gallantly inclined.

IT was very sultry to-day and cloudy also. This made it very uncomfortable, especially for those who were obliged to walk much.

MR. J. H. CARRAWAY is still unable to attend Court, and give evidence against the persons charged with assaulting him Saturday night, and the case was again continued.

NOTICE.—Several hogs and pigs have broken into my field during the past two months. This is to notify their owners to call and prove property, pay damages and take them away.

aug21-3 H. E. SCOTT.

THE assault and attempted robbery case, the forgery case and the murder case being all continued to-day, there is a dearth of local news. Our citizens, however, can afford to take a breathing spell of one day, at least.

Two gentlemen were walking along the streets last evening, and a large dog sprang over the fence and attacked them. One of the gentlemen beat the dog off with a stick, and just as the other drew a revolver the owner called in the dog. Chain 'em up.

THANKS.—The editorial staff of the POST return thanks to the Agents for an invitation to be presant at the collation on board the new barquentine "Lucy Vick." This is one of the line from here to Liverpool and is named in honor of Mr. Vick's daughter of this city.

SCHOOL COMMITTEE.—Alfred Howe, Esq., called to-day and qualified as one of the School Committee. As the law requires the Board to meet within fifteen days, and that has expired, the Township Board will meet to-day to declare the vacancies, so that they may be filled by the County Commissioners.

WE print to-day an account of another murderous assault upon one of our citizens. Mr. Bloom is an old resident here, and well known by most of our citizens. There appears to be an organized gang of roughs again at work in our city, and we caution the police to be as vigilant as possible.

BODY FOUND.—The body of a drowned man was found in the river near Market street dock this morning, by Mr. Wellington Banks, and towed into the basin at the foot of Orange street. It has not been identified as yet, though it seems to be the impression that it is the body of Robert Williams, a deck hand on the steamer North East, who fell off the deck and was drowned a few days ago, about eight miles up the river. The steamer left for Point Caswell about an hour before the body was found, so that it may be necessary to await its return before identification.—There appears to be a wound on the head. Coroner Hewlett has been notified.

— Scribner for September comes beautiful and excellent. Its engravings and general workmanship are unsurpassed by any magazine in America.—$4 a year; Scribner & Co., New York.

MAGISTRATE'S COURT.—'Squire Cassiday adjourned Court this morning until to-morrow, to wait for some important evidence expected to-day. There were large crowds about the Court House to-day, but nothing was done.

Mayor's Court.

His Honor W. P. CANADAY, Mayor, presiding.

Beverly Scott, charged with disorderly conduct and insulting the Coroner's jury, was fined $50 and cost, or to be sent to the Workhouse for thirty days. He was also put under a bond of $200 to keep the peace towards the Coroner's jury and all other good citizens.

Robert Green, charged with disorderly conduct and cursing the policeman. Judgment was suspended on the payment of cost.

L. P. Brigman, charged with cursing and trying to fight in the Germania Saloon, was fined $10 and cost.

The same, for resisting a police officer in the discharge of his duty, was fined $50 and cost.

"HERE'S YER MULE."—Claude Duval, the old white mule, for a number of years the pet of the hostlers and the pride of the city, so far as mule flesh is concerned, was sold under the hammer to-day, in front of the City Hall. The woe begone countenances of the drivers, when they beheld their favorite being carried away from them, was an indication of the loss of some very dear friend.

ANOTHER MURDEROUS ASSAULT.—On Monday night, about half-past nine o'clock, Mr. H. H. Bloom, who resides and keeps a store on the northeast corner of Fifth and Chestnut streets, was attacked by two men, who attempted to rob him near his store.

From Mr. Bloom we obtain the following: "I closed my store at about half-past nine, as usual, on Monday night, and walked around to examine my premises and see that my gates were all shut. I usually examine my gates, and had started around to my back gate, which opens on the vacant lot, and which is used generally by circus companies when they are here. I had just turned the corner of my fence, when I was seized by a couple of colored men, who threw me down, one of them making a wipe at me with a knife, which cut my pants just across my abdomen. My dog, which is a very ferocious bull-dog, and which I keep chained during the day, had been unchained a few moments before, heard me tusseling and came out of the gate and sprang upon the men. I jumped up and ran into the yard, as I did not know whether they intended to kill me or not. The men managed to get away from the dog and made good their escape. I have not the slightest idea who the men were, but they must have been perfectly familiar with my habits, as it is my custom to go around every night and see that my gates are properly closed and hooked."

The Charlotte *Observer* says: On Saturday last, Mr. William Wallace, who lives in this county, was painfully and seriously bitten by a vicious horse. Mr. Wallace and a nephew of his were riding along the road, when the horse which his nephew was riding caught Mr. Wallace by the knee, and raising him entirely out of the saddle, threw him heavily to the ground. The teeth of the horse cut Mr. Wallace's pants, and penetrated clear through the flesh to the bone. The wounds are very painful and may prove serious.

This delay prevents the party from making the rendezvous at Fort Wingate, New Mexico, as was contemplated, but will not impair the results of the season's work.

Lieut. Wheeler, with the main force of the expedition, is between Fort Wingate and Camp Apache, in Arizona.—Lieut. Marshal, in charge of the party which started from Denver, is near Fort Wingate. TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world." This line, the

ST. LOUIS & SOUTHEASTERN RAILWAY,

has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air-brake.

It is possitively the only line running Pullman Palace Drawing-Room Sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

The "St. Louis & Southeastern"

is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.

You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to CHARLES MCCABE, Southern Passenger Agent, near College street Depot, Nashville, Tenn, or to the undersigned.

W B DAVENPORT, General Ticket Agent, St. Louis.

No trouble to answer questions.

We especially call the attention to the following testimonials of the Paint:

C. P. Knight, Esq.—Dear Sir: I have used Bradley's Patent Enamel Paint on my dwelling last Spring, and am much pleased with it, and it looks as well now as when first painted, and consider it a good Paint. Yours, truly,
Creswell P. O., Hartford county, Md., Feb. 6th, 1873. A. H. STRASBAUGH.

THE PLAINS, FAUQUIER CO., VA., Feb. 6th, 1873.

Mr. C. P. Knight—Sir: The Paint came safely to hand as ordered—two kegs, five gallons each, and three buckets, one gallon each. As practice was slack, I did the job myself. Two weeks, (not constant work,) completed the house two coats. The last coat I applied thick, and it is now generally conceded that for enamel-like hardness, and body, and harmony of colors, there is not a handsomer job in the place. I saved sixty-five dollars by the operation, which is an item just now with Southern people. It should be generally adopted in this State. Any country lad can apply it. I have never dabbled in such stock as testimonials, but I feel so forcibly the great adaptability of your "Enamel Paint" to the wants of our people, in excellency of material, in beauty of color, and in the fact of its being "ready mixed" that I give you free permission, (if it is desirable to you,) to make what use you think proper of this letter.
Very respectfully and truly, S. McGILL, M. D.

TO THE PUBLIC—It affords me much pleasure to state that in July, 1871, Front Street Theatre was painted inside and out with "Bradley's Patent Enamel Paint," for which C. P. Knight, No. 93 West Lombard Street, is agent, and, to testify to its superiority over any and all other paints for similar uses. In no private dwelling can paint possibly be subjected to the very severe test it undergoes at this establishment, where, during our daily cleaning, soap and soda are constantly applied to it, and yet it appears as sound and fresh as when put on. Of the numerous advantages it possesses over other paints, I will only mention its being mixed and ready for use in quantities to suit purchasers, its quickly drying properties, which saves much time in the execution of work were paint is needed, and its very perceptible tenacity, which imparts beauty and durability to the objects on which it is used. As such I most earnestly recommend it to the merchants and tradesmen of our city, believing it will give them greater satisfaction than they can possibly anticipate.
WM. E. SINN,
BALTIMORE, April 25, 1873. Front Street Theatre.

CHAMBERSBURG, December 10th, 1872.

Mr. C. P. Knight—Dear Sir:—The paints we received from you have been applied to several of our own buildings and to those of our friends, and have given entire satisfaction in covering qualities, in gloss, and in adaptability to all kinds of surface of material and we cheerfully recommend it, especially to that class of consumers who have to depend upon unknown parties, or painters to mix and furnish materials, wherein we have found the most deception.
Yours, truly,
JACOB STOUFFER & SON.

FROM HON. JOHN WETHERED.

Mr. C. P. Knight:—At the recommendation of a friend, I was induced to apply your patent "Bradley's" paint to my house. I have pleasure in stating that it has proved highly satisfactory, covering more surface than you promised, is more economical, carries better gloss than ordinary paint, and is freer from disagreeable odor.
Yours, Respectfully, JOHN WETHERED.

BALTIMORE, December 27th, 1871.

C. P. Knight, Esq., Agent for Bradley's Patent Enamel Paint—Dear Sir:—The paint we purchased from you we will cheefully endorse as the best of any kind we have ever used; its covering qualities is everything desired, drying promptly and with a hard gloss which must, we think, resist the action of all kinds of weather. This is our experience, and we can recommend it with certainty, and intend to use it on all occasions where we desire a good job of work.
Very Respectfully, EMART & QUARTLEY, 270 W. Baltimore St.
House, Sign and Frescoe Painters.

PLEASANTVILLE, HARTFORD CO., MD.

Mr. C. P. Knight—Dear Sir:—I am very happy to inform you that your "Patent Enamel Paint" has given entire satisfaction. I prefer it to any paint I have ever seen used, and recommend it for durability and beauty as paramount to any other.
Very Respetfully, R. DICKEY, M. D.

MANAGER POST.

'Unquestionably the best sustained work of the kind in the World."

Harper's Magazine.

NOTICES OF THE PRESS.

The ever-increasing circulation of this excellent monthly, proves its continued adaptation to popular desires and needs.—Indeed, when we think into how many homes it penetrates every month, we must consider it as one of the educators as well as entertainers of the public mind, for its vast popularity has been won by no appeal to stupid prejudices or depraved tastes.—*Boston Globe.*

The character which this Magazine possesses for variety, enterprise, artistic wealth, and literary culture that has kept pace with, if it has not led the times, should cause its conductors to regard it with justifiable complacency. It also entitles them to a great claim upon the public gratitude. The Magazine has done good and not evil all the days of its life.—*Brooklyn Eagle.*
